

Women's Shadow Work[®] Weekend

"There is nothing more beautiful than a woman who matures into her authentic self."
Wisdom of Mary Magdalene

Join us for this Shadow Work Weekend as we tap into these powerful archetypal energies:

- **Lover** energy teaches us how to connect to ourselves and others.
- **Warrior** energy teaches us how to set boundaries and take actions we desire.
- **Magician** energy teaches us how to transform any situation with our perspective and receive clarity.
- **Sovereign** energy teaches us about giving/receiving support and honoring our visions.

When we learn how to use these energies in our life with intention and focus, we'll be on the path to fulfilling our purpose and realizing our dreams!

This Shadow Work Weekend includes:
